SUPPLEMENT TO  
REPORT NO.

1. A secret printing establishment of the Rumanian Workers Party is located on Independence Square near Serban Voda Bridge in Bucharest. This press, which is reportedly used only for the "secret printing work" of the Rumanian Workers Party, is also made available to the Cominform.
2. The printers employed at this establishment live in the building housing the press. All printers, who must be members of the Rumanian Workers Party, are carefully investigated before being employed. The lowest paid workers receive 30,000 lei per month and full board.
3. In order to conceal the activity carried on at this location, the building bears a sign indicating that it houses the Statistical Service (Serviciul de Statistica).
